

Selection Results for the STEP traineeships
published on the 9th of April, 2018

Please, have in mind:

- The selection results are at the moment incomplete. We are still waiting for the feedback from several traineeship providers. These traineeships are marked as **delayed**. The selection results will be updated on a daily basis, accordingly to the arrival of the remaining selection results from the traineeship providers.
- If a traineeship has a mark that a **trainee is selected and notified**, it means that the traineeship provider has selected a trainee for this traineeship. All the applicants that were selected have received confirmation e-mails. Therefore, if an applicant has NOT received a confirmation e-mail for this traineeship, it means that he/she has not been selected for it. There remains a chance of being selected in case the selected applicant will not confirm the attendance. In this case, we will inform you by email.
- Some of the traineeships have been cancelled, i.e. the traineeship providers have not selected any trainees or there simply were no applications. These traineeships are marked as **cancelled**.
